Marshall Hall.

A dightful place to spend tomorrow is Marshall Hall, where cool river breezes always blow and shade is to be found in abundance. Professor Schroeder's band renders a select program of concert music during the afternoon and evening. Table d'hots dinner is served in the war of 1812. This fact was established by a number of buttons which were unearthed with the remains. Army officers say that these buttons were the kind used by soldiers in the war of 1812. One of them was a flat zinc button with "U. S." on it; and the well-appointed dining hall all day. Amusements are to be found on all parts of the grounds to please both the young and old.

The steamer Charles Macalester will leave for Marshall Hall tomorrow at 11 a. m., 2:39 and 6:39 p. m.; returning, leave the hall at 1, 5, and 9 p. m.

Served in the war of 1812. This fact was established by a number of buttons which were unearthed with the remains. Army officers say that these buttons in the Washington Barracks grounds, as it is not supposed that any troops were stationed there during the war of 1812. The old arsenal was not established on these grounds until about 1814. The point where the remains were unearthed with the remains were understant one time used as a penitentiary. The clothing. Constabulary Unable To Cope With Ladrones

Abolition of System and Substitution of Military Control in Philippines Advocated by Army and Navy Journal.

week's issue, prints an article showing become so intolerable that, at the re-that ladronism is again rampant in the quest of the civil authorities at Manila, Philippines, and that the Philippine the task of restoring order has been constabulary is utterly unable to cope taken over by the army. with the situation. The entire abolishment of the constabulary system, and standing its close proximity to Manila, the substitution of military control in is one of the most turbulent provinces

mended.

The article says, in part: "The situation in Samar has become extremely serious. Pulajane outlaws, numbering several thousands, have instituted a reign of terror in districts equal to a third of the whole area of the Island, defying law, robbing and murknow that the army is tied hand and dering inhabitants who are loyal to foot; that it cannot move against them,

"It was precisely such conditions that the constabulary was created to deal with, yet the constabulary forces assigned to the work have done little or nothing, and lawlessness has increased with none to molest or make them afraid.

"For the constabulary they have no use, except to strip them now and then of their weapons and uniforms, with which they sometimes parade in plain view of their denuded victims."

The Army and Navy Journal, in this in spite of their efforts. Conditions have

disaffected districts, is recoming the entire archipelago, where large bands of organized outlaws have committed audacious depredations within recent months, we find a situation which is anomalous, unsafe, and insupportable.

Ladrones Understand Situation.

"The ladrones, who are simply insur rectos who have not been captured, know that the army is tied hand and American authority, and destroying save on authority granted by the civil constabulary Ineffectual.

Constabulary Supplementations that the supplementation of the su
